

State Forty Eight Wines

A collaboration between Forty Eight & Keeling Schaefer Vineyards - where Arizona style meets Arizona soil. This one-of-a-kind collaboration brings together State Forty Eight, Arizona's homegrown lifestyle brand since 2013, and Keeling Schaefer Vineyards, known for their award-winning high desert wines.

Handcrafted in small batches from grapes grown under wide open skies, it is a toast to local roots, shared passion, and the bold spirit of our state. Made in Arizona, made to be savored.
