Arizona grown and bottled. This line of wines is intended to be an “everyday” wine. The winery strives to maintain a consistent flavor profile along with pH and sweetness levels for each bottling.

About the Producer: Keeling Schaefer produces estate grown and bottled Rhone-styled wines on 42.5 acres of vineyards located along Rock Creek on the western slope of the Chiricahua Mountains in far southeastern Arizona.

About State Forty Eight: Founded in 2013 by local entrepreneurs, Michael, Stephen and Nicholas, State Forty Eight was born out of a shared passion and appreciation for the great state of Arizona. Carrying an array of uniquely designed shirts, hats, accessories and other products, the homegrown stays true to its tagline: clothing for all, inspired by Arizona.

About the Partnership: Forty Eight & Keeling Schaefer Vineyards - where Arizona style meets Arizona soil. This one-of-a-kind collaboration brings together State Forty Eight, Arizona's homegrown lifestyle brand since 2013, and Keeling Schaefer Vineyards, known for their award-winning high desert wines.

Handcrafted in small batches from grapes grown under wide open skies, it is a toast to local roots, shared passion, and the bold spirit of our state. Made in Arizona, made to be savored.
